In G.O. no 9731-40/L.B. 455-07-3
it was ordered that

2.5-4.1909 of the maintenance
charges of Vels Hospital & Disp., ~~was~~
~~and 500~~ to be met out of Dr fund
and that if a Hospital or Disp
be situated in a m. town,
such M. town shd include
4 of the charges of maintenance
to Dr fund. The maintenance
charges for such Vels Hospital & Disp
were fixed at Rs. 300 and 150
respectively in G.O. No. R.1727-37/
30-05-22 of 11.9.27, and continued
as per order no R.8854-63/Agr. 27/67,

(Y) 27.2.1918. It was in this
later order also that the initial
charges of opening a hospital ^{& dispens} were
fixed at Rs. 500 and Rs. 250 ^{resply}

(O) In G.O. no D.C. 2217-33/Agr
25-22-8 of 20.5.1924, Govt ordered
the waiver of the recovery from the
Dr Board, of the sum of Rs. 38564-16-1
being the extra expre incurred on
account of the maintenance
charges of Vels Institution upto
the end of 1923 over & above the
amount fixed, and the debiting
of the expenditure to Govt.

(2) In G.O. no D.C. 6461-80/Agr
14.11-22 17 of 30.3.1925 Govt.
fixed the following scale of expenditure
to come into force from 1924-25 for a
period of 3 years.

Hospital Charge Hospital Disp Rs. 1200 + 1000
maintenance charge Bengal Medical Hospital 2100
" " " " 1800
" " " " 900
Other dispensaries 600

But the maintenance charge
of Vels Institution at Rs. 300 for hospital
& Rs. 150 for dispensary, ^{being} paid by local bodies
was ordered to be continued & the excess
expre was to be met by Govt. As needed

Serial
No.

Letter No. Ro. 2348-CV 184-27-28 of 17.3.30
from the Dir. of Agriculture submits the
Views of the Sp. Live Stock Committee
on the several Vet. problems placed before
it.

Subs with references.

The points referred to that Body by
the Director are:—

(i) Speedy disposal of questions connected
with the repairs to Hospitals & Dispensary
Buildings.

(ii) What proportion of initial & recurring
expenditure of these institutions should
be debited to local bodies.

(iii) The agency responsible to collect m. & g. tax.

(iv) The cost of constructing new Dispensaries.

In M. P. of 11-11-29 referred to by the
Director he was requested to obtain the
Views of the Committee on point (ii) only.
The Director has in addition obtained the
Views of the Committee on points (i) (iii) & (iv)
and requests approval to his action.
The recommendations of the Committee
on the several points are:—

Point (ii) Re Financing of Vet. Institutions—The
Committee observed that ~~the~~ the financing of
these institutions should be in Govt. hands for
some time to come, that Govt. were at present

Serial
No.

bearing much too large a proportion of expenditure in the two City Vets Hospitals and that quota of contribution payable by local bodies may be increased also in the case of ~~local bodies~~ Vets Dispensaries. The Committee recommend that a third of this expenditure (Maintenance charges) be debited to local bodies. It ~~means~~ ^{means} that local Bodies should contribute annually in the cases of ~~the~~ Hospitals Rs 700 + Rs 600 ~~for~~ respectively for Bangalore & Mysore Vets Hospitals & Rs 300 for Vets Dispensaries instead Rs 200. The Director recommends that this proposal of the Committee may be sanctioned for 5 years.

4 Allotment for repairs to dispensaries.

To avoid delay in securing allotments from local bodies for the repairs referred to it has been decided that the Dy. Commr should submit to the Director in March each year a list of repairs to buildings in each District arranged in the order of urgency with approximate cost in each case & that the Director should send the lists to District Boards with the ~~the~~ ^{the} of allotments required by him from the several local Bodies for the purpose. This it is said would help

Serial
No.

local bodies in the preparation of their ~~own~~ budgets.

4 Agents to collect Mt. Guda. — The Committee are of opinion that Mt. Guda should be collected by Govt and not by the Dist. Bd. as heretofore. This is for orders.

The Cost of Constructing New Dispensaries

In regard to this the type design for these buildings was considered expensive:—

(a) The Compound wall could be replaced by wire fencing —

(b) In the initial stages of a dispensary inpatient accommodation would not be pressing — Stables may be ~~of~~ omitted.

The Committee resolved that the cost be ~~therefore~~ reduced to Rs. 400/- and that

new type designs should be got prepared on this basis. If approved type designs prepared by the Dist. Bd. will be called for.

End

10/4

5 It would be necessary, I think, to consult the local bodies concerned before passing the Secy.

6 The local bodies may be consulted

This is a matter in which the financial implications
have to be fully examined. Some of the smaller
municipalities are quite justified in disclaiming
any liability to such charges. Vet. hospitals &
dispensaries are generally made use of by the
rural population. They are therefore a just charge
on the finances of St Bd & Govt. If some of the
more important cities are used to pay a
part of these charges, it is because that they
attract business from outside and are compensated
by the levy of tolls, octroi etc. a part of which at least
should go to render assistance to the surrounding
rural population. To appreciate the question better,

Serial
No.

it would be useful if a statement is prepared showing D't was, the no. of vet^s hospitals or dispensaries, and the charges borne by Govt + D'ts respectively - first in regard to recurring maintenance charges and secondly in respect of other charges. The total cost now incurred and that likely to be incurred when each Taluk in the State is provided with a vet^s Disp^y.

I do not think it would be expedient or feasible to require the village Councils to contribute towards these charges, chiefly because practical difficulties would arise in trying to distribute the contribution due from them among the several units.

2 statements, one furnishing particulars
as: the several existing Vets Dispensaries
& Hospitals in the State & the other fur-
nishing

DEVELOPMENT : :

Serial
No.

Similar information regarding those that have yet to be opened.

(64) These statements were called for from the Director of Agriculture in accordance with the Dir Gen's orders in para 57 of the memo dated for permit & orders. Ref para 57 above.

(65) Statement (A) shows the expe borne by Govt and the 1.11.32. Contributions payable by the Local bodies in respect of the existing institutions (Hospital & Dispensary). Statement (B) gives similar information in respect of Velj Dispensaries to be opened anew.

(66) The ~~provisions~~ ^{cases} for orders of Govt in this office are

1. Arrangements for the speedy repairs of Velj Hospital & dispensary buildings
2. The proportion in which the initial & maintenance charges of these buildings should be borne by local bodies & Govt
3. The collection of municipal taxes by Govt direct instead of through P.D.s.
4. The cost of construction of new dispensary buildings

Questions nos 1, 3 & 4 present little difficulty as definite recommendations

in respect of these have been made by the Live Stock Committee and the recommendations are accepted by the District Board and it seems unnecessary to have the views of all the concerned Municipal Councils on these three matters as they are not very material and do not ~~affect~~ ^{have} much financial bearing.

So the only main point for consideration is what proportion of the maintenance charges should be levied from the local bodies —

67) Under the existing Orders the Contribution leviable from local bodies on account of maintenance charges is Rs 150 (Rs 100. ml 50) in the case of a dispensary and Rs 300 (Rs 200. ml 100) in the case of a Hospital (except at Bangalore Tellyoore) ~~whatever may~~ irrespective of the actual maintenance charges.

In the case of rent of buildings half the rent has to be borne by the ^{in urban areas} D.B. in rural areas while $\frac{1}{3}$ and $\frac{1}{6}$ of the rent will have to be levied from the D.B. & the M.C. concerned.

68) The Live Stock Committee recommends that in the case of all Relg institutions the maintenance charges may be borne by Govt & the local bodies in the ~~proportion~~ ^{proportion} of 2:1 provided the maxima for maintenance fixed in G.O. of 30th Mar 1928 is not exceeded.

75) In G.O. no 9731-40 / L.B. 455-67-35 of 5.4.1909, it was ordered that the maintenance charges of Vety. hospitals and Dispensaries should be met out of Dr. funds and that if a Hospital or Disps. be situated in a Municipal Town, such Ml. Town should contribute $\frac{1}{3}$ of the charges of maintenance to District Funds. The maintenance charges for each Vety. Hosp. or Disps. were fixed at Rs 300 and 150 respectively in G.O. no R 1727-37/38-05-22 of 4.9.27 and continued as per order no. R 8854-63/Agri. 27-16-11 of 27.2.1918. It was in this order also that the initial charges of opening a hospital and a dispensary were fixed at Rs 500 and 250 respectively.

76) In G.O. no D.C. 2217-33/Agri. 25.2.28 of 20.5.1924, Govt. ordered the waiver of the recovery, from the Dr. Boards, of the sum of Rs 38564-14-1 being the extra expenditure incurred on account of the maintenance charges of Vety. Institutions upto the end of 1923 over and above the scale fixed, and the debiting of the expenditure to Govt.

77) In G.O. no D.C. 6461-80/Agri. 14.4.22-17 of 30.3.1925, Govt. fixed the following scale of expenditure to continue in force from 1924-25 for a period of three years—

Initial Charges.	Hosp. & Disps. respectively	Rs 1200, and 1000
Maintenance - do	Bangalore Vety. Hosp.	Rs 2100

Serial
No.

Rs 150

78) But the maintenance charges of Vets Institutions at Rs 300 per hospital + Rs 100 per Disps. being paid by local bodies was ordered to be continued and the excess expenditure was to be met by Gov. As regards initial charges it was ordered that the entire amount be met by local bodies.

79) In G.O. no D 10535-54/C.V. 33-2)-6 of 31.3.1928, Gov. directed that as from 1928-29 for a period of three years, half of the amount spent on house rent on private buildings occupied by Vets. Institutions be met by Gov. the other half being recoverable from Local Bodies.

(W) 80) In G.O. no D 1574-91/C.V. 112-30-4 of 9/12-9-1931 the arrangement of recovering half the rent from local bodies, ordered for three years from 1928-29 was continued. The specific proportion inter se between Dist. Boards and Muni. Councils in respect of contributions payable by the local bodies towards rent charges were also fixed. In rural areas, the Dist. Board was to pay the half rent, while in Municipal Areas, $\frac{1}{3}$ of the half rent was made recoverable from Municipals, the remaining $\frac{2}{3}$ being recovered from the District Board.

81) What is the point for decision since is the P.U.D.? I don't see

3. Sent of the three recommendations
of the Live Stock Committee one only
i.e. That the Impd. Civil Veterinary
Department should submit to the
Director of Agriculture in March
of each year a list of repairs to
buildings in each District arranged
in order of urgency with the
approximate cost in each case,
the Director to submit these lists
to the President to enable them
to frame their budgets to admit
such expenditure, has been agreed
to by all the Dist. Boards and by 40

4

Serial
No.

A

out of 60 Municipalities ^{and} may be adopted.

94 The recommendation of the Committee to raise the maintenance charges paid by the Dist. Boards & Municipalities to one third of the total expenditure, 90% contributing the remaining two thirds has been agreed to by 6 Dist. Boards and 27 Municipalities. The recommendation may be sanctioned in respect of those that are willing to shoulder the responsibility.

95 The Third recommendation to empower the District of agriculture independently of local bodies to the extent of Rs 100/- for repairs and minor alterations to their buildings in the occupation of the Veterinary Department and in which the Dispensaries are located is not favoured by any of those Dist. Boards that have replied to the reference. This may be dropped.

CV 22 234

No. U.O. 10 of 33-34 dated 12th April 1934.

Returned

Forwarded with compliments to the Secretary to the Government of Mysore, Development Department, Bangalore.

1. From the file, it is seen that only five District Boards and 26 Municipalities have agreed to pay their quota of enhanced contributions.

2. Out of the 26 places, 5 are hospitals, the maintenance charges of which have been fixed by Government at Rs.900/- each and the quota of contribution now being paid by the local bodies does

File 244
Cand 8/1-35
Refers 6-25-98
Agri 27-16-11

CV 332- (1-4)
CJ 129-27 (1-3)
CN 112-30 (1-4)
hr

does not vary as they are paying at Rs.300 per hospital.

(43) 3. Of the remaining 20 municipalities (excluding Mysore) dispensaries are located in only 12 municipal areas noted in the margin*. By their consent to pay enhanced quota, the increase

-----	will be Rs.200/- at Rs.
* Chikballapur 7. Malur	} 16-10-8 per dispensary.
2. Chintamani 8. Honnali,	
3. Bagepally 9. Nagamangala	
4. Bowringpet 10. Challakere	
5. 1. Narasipur, 11. Hiriya	
6. Yedathore, 12. Holenarsipur.	
-----	4. Corresponding to these 12 municipalities ^{10/2} we have

agreed to pay enhanced quota, the District Boards are willing for enhanced quota in respect of only 10 places. The increase in their quota will be Rs.333-5-4 at Rs.33-5-4 per dispensary.

(105) 5. The Mysore Municipality have resolved that the quota of maintenance charges be divided equally between the District Board and the City Municipality. Assuming this as acceptance from the municipality, the increase in the contribution for Mysore Hospital over the present rate will be Rs.300/-.

(106) Thus by accepting the above proposal Government will be relieved to the extent of Rs.333-5-4. In considering whether in view of this saving, the proposal in para 94 of the -- Secretariat Note should be approved, it has to be pointed out that it will have a somewhat discouraging effect on the local bodies who have consented to pay the higher amounts when they discover that the other local bodies have been excused. It is almost certain that they will raise this point and ask for the same treatment as have been accorded to the non-^{consenting} ~~consenting~~ bodies, and press for the waiving of the increased contribution. Their contention ~~will not be unreasonable either~~ will not be unreasonable either. Further, it will be seen also that no specific consent has been received in respect of the Hospital at Mysore by the Mysore Municipality and that the District Board have refused definitely. In view, therefore, of these circumstances and of the comparatively small amount of savings resulting from the proposed arrangement, I suggest that

DEPARTMENT OF AGRICULTURE,
MYSORE STATE.

Bangalore,

March 5, 1930.

No. Roc. 2348-C.V. 184/27-28.

FROM

LESLIE C. COLEMAN, Esq., M.A., Ph.D.,

DIRECTOR OF AGRICULTURE IN MYSORE,

BANGALORE.

TO

N. Rama Rao, Esq., B.A., B.L.,

Secretary to the Government of Mysore,

Development Departments, Bangalore.

SIR,

With reference to Government Order No. 4701-2/C.V. 129-27-3 of the 11th November 1929, I have the honour to state that the question of maintenance charges of Veterinary Institutions was placed before the Special Live Stock Committee at a meeting held in my office on the morning of the 21st February 1930.

I enclose copy of the proceedings of that meeting. As will be seen, I obtained the opinion of the Committee on a number of subjects having to do with the working of Veterinary Institutions in addition to the one specifically under reference. I trust that Government will approve of my action in this regard, which was actuated by a desire to bring about a more cordial and close co-operation between the local bodies and the Civil Veterinary Department. I would request you to obtain the general approval of Government of the recommendations of the Committee.

As regards the question of maintenance charges, the Committee were quite definitely of opinion that the financing of these institutions should not be left to local bodies for some time to come. There was however a feeling that Government were at present bearing ^{much} too large a proportion of expenditure in the two hospitals at Bangalore and Mysore and that the proportion was ^{also} too large.

large in the case of the Veterinary Dispensaries also. To bring about uniformity in the contribution towards maintenance charges the Committee recommend that $\frac{1}{3}$ of the total be borne by local bodies in all cases. This will raise the local maintenance contribution from Rs.300/- to Rs.700/- and Rs.600/- respectively in the case of the Bangalore and Mysore Hospitals, and from Rs.150/- to Rs.200/- in the case of all dispensaries. The local contributions would according to this recommendation remain at its present level in the case of all ~~xxxxxx~~ hospitals excepting the two mentioned above.

While these proposals if approved by Government will lighten the burden on Government only to a slight extent (about Rs.3000/- for the institutions now in existence) and while I personally favour the financing and control of these institutions by District Bodies, I believe it would be unwise to press this at present. The fact that a committee representing local interests is prepared ^{to} add to their financial burden even to the comparatively small extent indicated by this resolution, is, I consider, a promising sign and I would therefore recommend the acceptance of the proportion proposed by the Committee and that ^{it} should be fixed for a period of five years, after which the question may be again considered.

I have the honour to be,
Sir,
Your most obedient servant,

Lester B. Steman
Director of Agriculture.

A meeting of the Live Stock Committee appointed in G.O. No. D.4701-2/C.V.129-27-3, of the 11th November 1929, was held ^{February} in the Office of the Director of Agriculture on the 21st ~~xxxx~~ 1930 at 2 P.M. to consider questions in connection with the -- maintenance of Veterinary Hospitals and Dispensaries.

The following members were present.

Mr. K.V. Anantharaman,
Mr. H.V. Ramaswami,
Mr. C.S. Kuppaswami Iyengar,
Mr. G.B. Heblikar,
Mr. S. Abdul Wajid,
Mr. M.N. Balaraj Urs,
Mr. B. Narayanaswami Iyengar,
Mr. C.B. Gopala Rao,
Mr. B. Krishna Singh,
Mr. S. Veerabhadrappe,
Mr. ~~AG~~ Venkataramanaia,
Mr. G. Mallanna,
Major R.W. Simpson, and ~~xxxxxx~~
Dr. L.C. Coleman,

The questions considered were the following:-

1. Arrangements to be made for a more speedy disposal of questions connected with the repairs of hospital and dispensary buildings. 2. The proportion of initial and maintenance charges of these institutions ^{to be borne by local bodies.} 3. The question of collections from the Municipalities of their quotas and 4. The cost of construction of new dispensaries.

1. The Chairman pointed out that difficulty had been experienced in getting the allotments for the repairs of hospitals and dispensaries spent during the year, this apparently being due to the fact that three different bodies viz., the District Board, the Municipality and the Veterinary Department, were concerned in providing funds. A number of the members pointed out that the same conditions exist in the case of the medical dispensaries and here no serious difficulty had arisen. It was decided that in order to avoid delay in future the Superintendent, Civil Veterinary Department should submit to the Director of Agriculture in March of each year a list of repairs to buildings in each District arranged in order of urgency with the approximate cost in each case. The

The Director will then submit these lists to the Presidents of District Boards with a statement of the amount which it is proposed to include in the Budget of the succeeding year for the purpose of repairs. This procedure will enable District Boards to frame their budgets so as to allow for the necessary expenditure.

2. The question of the proportion of maintenance charges to be borne by local bodies was discussed at length. The Committee were unanimously of opinion that it would be unwise to hand over the financing of Veterinary Institutions to the District Boards. The Committee were of opinion that in the case of the two hospitals at Bangalore and Mysore and in the case of dispensaries the proportion paid by local bodies should be raised and that in the case of all Veterinary Institutions maintenance charges should be met on the proportion of two-thirds by Government and one-third by local bodies provided that the maxima for maintenance fixed in G.O.No. I.C.6461-80/A&E.144-22-17 of 30-3-1925 should not be exceeded.

3. Mr. C.B. Gopala Rao pointed out the difficulty experienced in some cases by District Boards in arranging to collect the contributions from Municipalities for initial and maintenance charges and house rent in the case of Veterinary Institutions. The Committee recommend that such contributions from Municipalities should be collected direct by Government instead of through the District Boards as is at present the practice in some districts.

4. The question of type design of building now being used in the construction of Veterinary Dispensaries was then taken up. Major Simpson informed the Committee that the present type design with compound wall and stables involved an expenditure of Rs.7000/-.

It was pointed out that an expensive compound wall might with advantage be replaced by a woven wire fence and that as the demand for inpatient accommodation was very small stables might be omitted in the first instance at least. These alterations with a change in the design of the dispensary building should lead to a decided reduction in cost. The Committee therefore accepted --

accepted unanimously the following resolution.

Resolved that the cost of constructing Veterinary Dispensaries should be reduced and that the maximum should not exceed Rs.4000/-.

Resolved further that the Superintendent, Civil Veterinary Department should be requested to have new type designs prepared on this basis.

C. S. KUPPUSWAMIENGAR, ESQ.,
PRESIDENT, DISTRICT BOARD,
CHITALDRUG DISTRICT.

To
SECRETARY TO THE GOVT. OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
BANGALORE.

With reference to your letter No. 2, 1892-51/0.1. 17-9-1919 and the 11th April 1920 relating for the action of the District Board on the following proposals, I have the honor to submit

1. Amounts for the speedy disposal of all claims connected with the repairs of hospitals and dispensaries buildings.
 2. The proportion of initial and maintenance charges of Veterinary dispensaries to be borne by the Government.
 3. A cess to be collected on all residents.
 4. The cost of construction of new dispensaries.
- herewith a copy of the resolution of the District Board passed at their meeting held on the 17th instant with respect to the same. It will be seen therefore that the Board approve of the proposals made therein except that in the case of item No. 2 in regard to the proposed increase of the initial and maintenance charges of the Veterinary dispensaries, the Board have expressed their inability to contribute anything more than what they are doing now.

I have the honor to be,
Sir,

for president.
 Council
 for president.

Letter No.D.11856-51/C.V.97-29-2 dated, 21st April 1930, from the Secretary to the Government of Mysore, Bangalore, to the Deputy Commissioner, Kolar District.

minutes

I am directed to forward herewith copy of the Proceedings of the Special Live Stock Committee Meeting held on 21st February 1930 to consider the marginally noted questions and to request you to be so good

1. Arrangements for the speedy disposal of questions connected with the repairs of hospitals and Dispensary Buildings.
2. The proportion of initial and maintenance charges of Veterinary Dispensaries to be borne by local bodies.
3. The Agency to collect Municipal quota.
4. The cost of constructing new dispensaries.

as to furnish the opinion of the Municipal Councils.

Office of the Deputy Commissioner,
Kolar District.

Dated 28th April 1930.

No.AS-C.2877/29-30.

M. C. D. O.

Copy with that of the enclosure is forwarded to the Presidents of Municipalities for ascertaining and furnishing the resolutions of their respective Municipal Councils at a very early date for communication to Government.

For Deputy Commissioner,
Kolar District.

Proceedings of the Special Live Stock Committee Meeting held on 21st February 1930.

==00==

The questions considered were the following:-

1. Arrangements to be made for a more speedy disposal of questions connected with the repairs of hospital and dispensary buildings. 2. The proportion of initial and maintenance charges of these institutions to be borne by local bodies. 3. The question of collections from the Municipalities of their quotas and 4. The cost of the construction of new dispensaries.

1. The Chairman pointed out that difficulty had been experienced in getting the allotments for the repairs of hospitals and dispensaries spent during the year, this apparently being due to the fact that three different bodies, viz., the District Board, the Municipality and the Veterinary Department, were concerned in providing funds. A number of the members pointed out that the same conditions exist in the case of the medical dispensaries and here no serious difficulty had arisen. It was decided that in order to avoid delay in future the Superintendent, Civil Veterinary Department should submit to the Director of Agriculture in March of each year a list of repairs to buildings in each District arranged in order of urgency with the approximate cost in each case. The Director will then submit these lists to the Presidents of District Boards with a statement of the amount which it is proposed to include in the Budget of the succeeding year for the purpose of repairs. This procedure will enable District Boards to frame their budgets so as to allow for the necessary expenditure.

2. The question of the proportion of maintenance charges to be borne by local bodies was discussed at length. The Committee were unanimously of opinion that it would be unwise to hand over the financing of Veterinary institutions to the District Boards. The Committee were of opinion that in the case of the two hospitals at Bangalore and Mysore and in the case of dispensaries the proportion paid by local bodies should be raised and that in the case of all Veterinary Institutions maintenance charges should be met on the proportion of two-thirds by Government and one-third by local bodies provided that the maximum for maintenance fixed in G.O.No. A.C.5461-30/A & E.144-22-17 of 30-3-1925 should not be exceeded.

3. Mr.C.R.Gopala Rao pointed out the difficulty experienced in some cases by District Boards in arranging to collect the contributions from Municipalities for initial and maintenance charges and house rent in the case of Veterinary Institutions. The Committee recommend that such contributions from Municipalities should be collected direct by Government instead of through the District Boards as is at present the practice in some districts.

4. The question of type design of building now being used in the construction of Veterinary Dispensaries was then taken up. Major Simpson informed the Committee that the present type design with compound wall and stables involved an expenditure of Rs 7000/-.

It was pointed out that an expensive compound wall might with advantage be replaced by a woven wire fence and that as the demand for inpatient

inpatient accommodation and very small stables might be omitted in the first instance at least. These alterations with a change in the design of the dispensary building should lead to a decided reduction in cost. The Committee therefore accepted unanimously the following resolution:-

RESOLVED that the cost of constructing Veterinary Dispensaries should be reduced and that the maximum should not exceed Rs 4000.

RESOLVED further that the Superintendent, Civil Veterinary Department should be requested to have new type designs prepared on this basis.

with the remains of Veterinary Hospitals and Dispensary buildings
(2) proportion of initial and maintenance charges of Veterinary
Dispensaries to be borne by Local Bodies (3) agency to collect
Municipal quota (4) the cost of construction of new Dispensaries.
I have the honour to state that the subject was placed for
consideration before the District Board at their meeting held on
the 28th and 29th July 1930, and the Board after a lengthy dis-
cussion resolved as follows:-

Regarding repairs, the Board have accented the recommendation
of the Special Live Stock Committee.

With regards to the proportion of maintenance charges to be
borne by the Local Bodies, the Board are in favour of meeting the
cost

cost in the proportion of two-thirds and one-third, as recommended by the Committee provided the minimum for maintenance fixed in G.O. No: I.C. 6451-80/A & E. 144-22-17, dated 30th March 1925, should not be exceeded.

With regards the Agency for the collection of Municipal quota, the Board are agreeable to the proposal to collect the quota of contribution from Municipalities direct by Government.

With regard to the cost of construction of new buildings, the Board are in favour of the proposal to reduce the cost of the buildings, as recommended by the Department itself.

A copy of the resolution passed on the subject is herein enclosed for ready reference.

I have the honour to be,

Sir,

Your most obedient servant,

H. S. S. S.
President,

District Board, Shimoga.

Memo

Forwarded with compliments to

Development Secretary to Government

Bangalore.

Mr 20/9
20/9

W. C. Narasimha

Deputy Commissioner

25/9/30 Kadur District

Extract from the Proceedings of the Kadir District Board meeting convened on the 2nd and 3rd September 1930.

Subject No. 20.

Read:- Letter No. D. 11836-51/C.V. 97-29-2 dated 21-4-1930 from the Secretary to Government, Development Departments forwarding copy of the Proceedings of the Special Live Stock -- Committee held on ~~21~~ 21-2-1930 to consider the following questions relating to the veterinary dispensaries:-

- (1) Arrangements for the speedy disposal of questions -- connected with the repairs of Hospitals and dispensary buildings.
- (2) The proportion of initial and maintenance charges of Veterinary Dispensaries to be borne by Local Bodies.
- (3) The Agency to collect Municipal quota.
- (4) The cost of constructing new dispensaries.

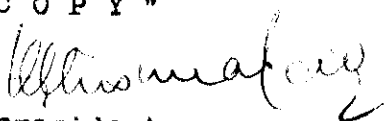

Resolution:- As a general procedure the suggestions of the Committee No. 1 & 3 may be adopted. As regards suggestion No. 2 the Board does not approve of paying its quota on the basis of proportion as, according to the suggestion of the Committee, the proposed charges, both initial and maintenance, are likely to increase considerably and the Board cannot pay any more than what is now paying.

As regards ~~4th~~ 4th suggestion the question of proportion of cost to be borne by the Board will have to be considered when occasion arises.

46

Proceedings of the Special Live Stock Committee Meeting held on
21st February 1930.

The questions considered were the following:-

1. Arrangements to be made for a more speedy disposal of questions connected with the repairs of hospital and dispensary buildings.
2. The proportion of initial and maintenance charges of these institutions to be borne by local bodies.
3. The question of collections from the Municipalities of their quotas and
4. The cost of the construction of new dispensaries.

1. The Chairman pointed out that difficulty had been experienced in getting the allotments for the repairs of hospitals and dispensaries spent during the year, this apparently being due to the fact that the three different bodies, viz., the District Board, the Municipality and the Veterinary Department, were concerned in providing funds. A number of the members pointed out that the same conditions exist in the case of the medical dispensaries and here no serious difficulty had arisen. It was decided that in order to avoid delay in future the Superintendent, Civil Veterinary Department should submit to the Director of Agriculture in March of each year a list of repairs to buildings in each District arranged in order of urgency with the approximate cost in each case. The Director will then submit these lists to the Presidents of District Boards with a statement of the amount which it is proposed to include in the Budget of the succeeding year for the purpose of repairs. This procedure will enable District Boards to frame their budgets so as to allow for the necessary expenditure.

2. The question of the proportion of maintenance charges to be borne by local bodies was discussed at length. The Committee were unanimously of opinion that it would be unwise to hand over the financing of Veterinary Institutions to the District Boards. The Committee were of opinion that in the case of the two hospitals at Bangalore and Mysore and in the case of dispensaries the proportion paid by local bodies should be raised and that in the case of all Veterinary Institutions maintenance charges should be met on the proportion of two-thirds by Government and one-third by local bodies provided that the maxima for maintenance fixed in G.O.No.1.C.5461-80/A & B 144-22-17 and of 80-3-1928 should not be exceeded.

3. Mr. C. B. Gopala Rao pointed out the difficulty experienced in some cases by District Boards in arranging to collect the contributions from Municipalities for initial and maintenance charges and house rent in the cases of Veterinary Institutions. The Committee recommend that such contributions from Municipalities should be collected direct by Government instead of through the District Boards as is at present the practice in some districts.

4. The question of type design of building now being used in the construction of Veterinary Dispensaries was then taken up. Major Simpson informed the Committee that the present type design with compound wall and stables involved an expenditure of Rs. 7000.

It was pointed out that an expensive compound wall might with advantage be replaced by a woven wire fence and that as the demand for inpatient accommodation was very small stables might be omitted in the first instance at least. These alterations with a change in the design of the dispensary building should lead to a decided reduction in cost. The Committee therefore accepted unanimously the following resolution:-

RESOLVED that the cost of constructing Veterinary Dispensaries should be reduced and that the maximum should not exceed Rs. 4000.

RESOLVED further that the Superintendent, Civil Veterinary Department should be requested to have new type designs prepared on this basis.

13-8-30
Enclosure: —

Sir,

With reference to your memo no.
D3-3760/29 dated 12-5-1930 forwarding
copy of letter no. D 11836-51 C.V. 97-29-2
dated 21-4-1930 from the Secretary to
Government, Development Departments
and directing me to furnish the opinion
of the Municipal Council on the proceedings
of the meeting of the Special Line Stock
Committee regarding the repairs of hospitals
and dispensary buildings and payment of
initial and maintenance charges of
Veterinary dispensaries, etc, I beg to state.

That the matter was placed at the meeting of the Municipal Council to day for opinion.

The whole correspondence was read out and explained to the Council. After discussion the Council have opined as follows:—

Question, 1. Arrangements for the speedy disposal of questions connected with the repairs of Hospitals and Dispensaries:—

The proposal of the Committee in this matter is generally approved.

2. The proportions of initial, and maintenance charges of Veterinary Dispensaries, to be borne by local bodies. —

As per G.O. already in force.

Vide, — G.O. No. T. C. 6461-80 A. and E.

114-22-17 dated 30-3-1925, the Council is agreeable to bear $\frac{1}{3}$ of the initial and maintenance charges of the Veterinary Department.

3. The Agency to collect Municipal quista.

The Municipal Council have no objection to having the quista direct to Govt instead of through the District Board, and

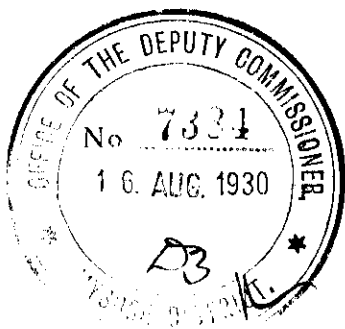

lastly; — 4. As regards the cost of constructing

new dispensaries it was resolved that
the cost may be kept as low as possible
within Rs 4000/- as proposed by the
committee.

An extract from the resolution
passed in the matter is enclosed herewith
for your kind information.

I beg to remain,
Sir,
your most obedient servant

Proceedings of the Special Live Stock Committee Meeting held on
21st February 1930.

The questions considered were the following:-

1. Arrangements to be made for a more speedy disposal of questions connected with the repairs of hospital and dispensary buildings.
2. The proportion of initial and maintenance charges of these institutions to be borne by local bodies.
3. The question of collections from the Municipalities of their quotas and
4. The cost of the construction of new dispensaries.

1. The Chairman pointed out that difficulty had been experienced in getting the allotments for the repairs of hospitals and dispensaries spent during the year, this apparently being due to the fact that ~~xxx~~ three different bodies, viz., the District Board, the Municipality and the Veterinary Department, were concerned in providing funds. A number of the members pointed out that the same conditions exist in the case of the medical dispensaries and here no serious difficulty had arisen. It was decided that in order to avoid delay in future the Superintendent, Civil Veterinary Department should submit to the Director of Agriculture in March of each year a list of repairs to buildings in each District arranged in order of urgency with the approximate cost in each case. The Director will then submit these lists to the Presidents of District Boards with a statement of the amount which it is proposed to include in the Budget of the succeeding year for the purpose of repairs. This procedure will enable District Boards to frame their budgets so as to allow for the necessary expenditure.

2. The question of the proportion of maintenance charges to be borne by local bodies was discussed at length. The Committee were unanimously of opinion that it would be unwise to hand over the financing of Veterinary Institutions to the District Boards. The Committee were of opinion that in the case of the two hospitals at Bangalore and Mysore and in the case of dispensaries the proportion paid by local bodies should be raised and that in the case of all Veterinary Institutions maintenance charges should be met on the proportion of two-thirds by Government and one-third by local bodies provided that the maxima for maintenance fixed in O.B.No.1.C.5461-80/A & B 144-22-17 and of 80-3-1925 should not be exceeded.

3. Mr. C. B. Copala Rao pointed out the difficulty experienced in some cases by District Boards in arranging to collect the contributions from Municipalities for initial and maintenance charges and house rent in the case of Veterinary Institutions. The Committee recommend that such contributions from Municipalities should be collected direct by Government instead of through the District Boards as is at present the practice in some districts.

4. The question of type design of building now being used in the construction of Veterinary Dispensaries was then taken up. Major Simpson informed the Committee that the present type design with compound wall and stables involved an expenditure of Rs. 7000.

It was pointed out that an expensive compound wall might with advantage be replaced by a woven wire fence and that as the demand for inpatient accommodation was very small stables might be omitted in the first instance at least. These alterations with a change in the design of the dispensary building should lead to a decided reduction in cost. The Committee therefore accepted unanimously the following resolution:-

RESOLVED that the cost of constructing Veterinary Dispensaries should be reduced and that the maximum should not exceed Rs. 4000.

RESOLVED further that the Superintendent, Civil Veterinary Department should be requested to have new type designs prepared on this basis.

Proceedings of the year at the Chamber
precise meeting held on 22nd September 1930

Resolution No. 5

" Resolves that the Council has no
objection to the proposal "

'Extract'

Sd/- M. J. Sheriff
President

President

Proceedings of the Special Live Stock Committee Meeting held on
21st February 1930.

The questions considered were the following:-

1. Arrangements to be made for a more speedy disposal of questions connected with the repairs of hospital and dispensary buildings.
2. The proportion of initial and maintenance charges of these institutions to be borne by local bodies.
3. The question of collections from the Municipalities of their quotas and
4. The cost of the construction of new dispensaries.

1. The Chairman pointed out that difficulty had been experienced in getting the allotments for the repairs of hospitals and dispensaries spent during the year, this apparently being due to the fact that the three different bodies, viz., the District Board, the Municipality and the Veterinary Department, were concerned in providing funds. A number of the members pointed out that the same conditions exist in the case of the medical dispensaries and here no serious difficulty had arisen. It was decided that in order to avoid delay in future the Superintendent, Civil Veterinary Department should submit to the Director of Agriculture in March of each year a list of repairs to buildings in each District arranged in order of urgency with the approximate cost in each case. The Director will then submit these lists to the Presidents of District Boards with a statement of the amount which it is proposed to include in the Budget of the succeeding year for the purpose of repairs. This procedure will enable District Boards to frame their budgets so as to allow for the necessary expenditure.

2. The question of the proportion of maintenance charges to be borne by local bodies was discussed at length. The Committee were unanimously of opinion that it would be unwise to hand over the financing of Veterinary Institutions to the District Boards. The Committee were of opinion that in the case of the two hospitals at Bangalore and Mysore and in the case of dispensaries the proportion paid by local bodies should be raised so that in the case of all Veterinary Institutions maintenance charges should be met on the proportion of two-thirds by Government and one-third by local bodies provided that the maxima for maintenance fixed in G.O.No.1.C.5. 80/A & B 144-22-17 of 30-3-1925 should not be exceeded.

3. Mr. C. B. Cepala Rao pointed out the difficulty experienced in some cases by District Boards in arranging to collect the contributions from Municipalities for initial and maintenance charges and house rent in the case of Veterinary Institutions. The Committee recommended that such contributions from Municipalities should be collected direct by Government instead of through the District Boards as is at present the practice in some districts.

4. The question of type design of building now being used in the construction of Veterinary Dispensaries was then taken up. Major S. informed the Committee that the present type design with compound wall and stables involved an expenditure of Rs. 7000.

It was pointed out that an expensive compound wall might with advantage be replaced by a woven wire fence and that as the demand for inpatient accommodation was very small stables might be omitted in the first instance at least. These alterations with a change in the type of the dispensary building should lead to a decided reduction in cost. The Committee therefore accepted unanimously the following resolution.

RESOLVED that the cost of constructing Veterinary Dispensaries should be reduced and that the maximum should not exceed Rs. 4000.

RESOLVED further that the Superintendent, Civil Veterinary Department should be requested to have new type designs prepared on this basis.

K. V. ANANTHARAMAN, Esq., B.A.,
Deputy Commissioner,
Mysore District.

To

B. Narayanaswamy Iyengar, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Development Departments, Bangalore.

SIR,

With reference to your letter No.D.11836-51/C.V.97-29-2 dated 21-4-1930 forwarding a copy of the Proceedings of the Special Live Stock Committee Meeting held on 21st February 1930 for furnishing the opinion of the Municipal Councils, and in continuation of my letter No. D3-3760-29 dated 23-12-1930 forwarding the reports of Presidents of certain Municipalities, I have the honour to forward herewith the extracts from the Resolutions of the marginally noted Municipal Council:

Sargur, Ramasamudra and Mandya.

The replies from the remaining Municipalities, Viz., Nanjangud, Mugur, Bannur, Talkad, Malavalli and French-Rocks will be submitted soon after they are received.

I have the honour to be,
Sir,
Your most obedient servant,

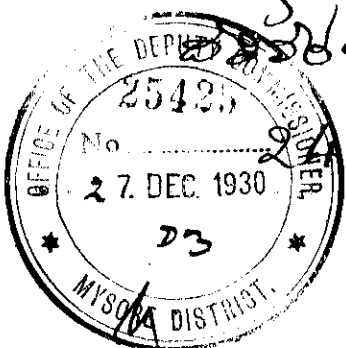

Deputy Commissioner,
Mysore District.

27/10/30

107
Proceedings of the Special Live Stock Committee Meeting held on
21st February 1930.

The questions considered were the following:-

1. Arrangements to be made for a more speedy disposal of questions connected with the repairs of hospital and dispensary buildings.
2. The proportion of initial and maintenance charges of these institutions to be borne by local bodies.
3. The question of collections from the Municipalities of their quotas and
4. The cost of the construction of new dispensaries.

1. The Chairman pointed out that difficulty had been experienced in getting the allotments for the repairs of hospitals and dispensaries spent during the year, this apparently being due to the fact that ~~the~~ three different bodies, viz., the District Board, the Municipality and the Veterinary Department, were concerned in providing funds. A number of the members pointed out that the same conditions exist in the case of the medical dispensaries and here no serious difficulty had arisen. It was decided that in order to avoid delay in future the Superintendent, Civil Veterinary Department should submit to the Director of Agriculture in March of each year a list of repairs to buildings in each District arranged in order of urgency with the approximate cost in each case. The Director will then submit these lists to the Presidents of District Boards with a statement of the amount which it is proposed to include in the Budget of the succeeding year for the purpose of repairs. This procedure will enable District Boards to frame their budgets so as to allow for the necessary expenditure.

2. The question of the proportion of maintenance charges to be borne by local bodies was discussed at length. The Committee were unanimously of opinion that it would be unwise to hand over the financing of Veterinary Institutions to the District Boards. The Committee were of opinion that in the case of the two hospitals at Bangalore and Mysore and in the case of dispensaries the proportion paid by local bodies should be raised and that in the case of all Veterinary Institutions maintenance charges should be met on the proportion of two-thirds by Government and one-third by local bodies provided that the maxima for maintenance fixed in G.O.No. I.C. 5461-80/A & B 144-22-17 ~~Rs~~ of 30-3-1925 should not be exceeded.

3. Mr. C. B. Gopeja Rao pointed out the difficulty experienced in some cases by District Boards in arranging to collect the contributions from Municipalities for initial and maintenance charges and house rent in the case of Veterinary Institutions. The Committee recommend that such contributions from Municipalities should be collected direct by Government instead of through the District Boards as is at present the practice in some districts.

4. The question of type design of building now being used in the construction of Veterinary Dispensaries was then taken up. Major Simpson informed the Committee that the present type design with compound wall and stables involved an expenditure of Rs. 7000.

It was pointed out that an expensive compound wall might with advantage be replaced by a woven wire fence and that as the demand for inpatient accommodation was very small stables might be omitted in the first instance at least. These alterations with a change in the design of the dispensary building should lead to a decided reduction in cost. The Committee therefore accepted unanimously the following resolution:-

RESOLVED that the cost of constructing Veterinary Dispensaries should be reduced and that the maximum should not exceed Rs. 4000.

RESOLVED further that the Superintendent, Civil Veterinary Department should be requested to have new type designs prepared on this basis.

DEVELOPMENT BRANCH.

11 MAY 1931

The Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

Opinion of the Municipal Councils regarding the proposals
of the Special Live Stock Committee.

With reference to correspondence ending with my letter
No. DS. 3760-29 dated 28th April 1931 stating that the replies from
the marginally noted Municipal Presidents have not yet been received
etc., I have the honour to forward herewith an extract from the
resolution of the Municipal Council, Talkad. The replies from
the remaining three Municipalities will be submitted after
receipt.

Margin:-
Nanjangud
Mogur
Talkad
Melavalli.

I have the honour to be,
Sir,
Your most obedient servant,

For DEPUTY COMMISSIONER,
Mysore District.
(Absent from Headquarters).

Office of the Deputy Commissioner,
Kadur District.

Chikmagalur, dated 20th May 1931.

From

C.S. Kuppuswamiengar, Esquire,

DEPUTY COMMISSIONER,

KADUR DISTRICT.

To

R. Ranga Rao, Esquire, B.A., B.L.,

General Secretary to the Government of

His Highness the Maharaja of Mysore,

BANGALORE.

SIR,

With reference to your letter No. D. 11836-5-1 C.V. 97-29-2 dated 21-4-30 re: the speedy disposal of questions connected with the repairs of Veterinary Hospitals etc., I have the honour to state that as regards the arrangements for the speedy disposal of questions relating to repairs to the Hospital buildings, the suggestion contained in para 1 of the Proceedings of the special Live Stock Committee to the effect that the Superintendent, Civil Veterinary Department should submit before March of each year through the Director of Agriculture to the Presidents of the District Boards a list of repairs to buildings in each District arranged in the order of urgency with the approximate cost in each case in order to facilitate the Presidents of District Boards to frame their Budgets seems feasible. As regards contribution to be paid by the Municipalities intimation may be given to the Deputy Commissioner of the District concerned.

2. As regards the quota to be paid by the Municipalities towards the maintenance charges of Veterinary Dispensaries, most of the Municipal Councils in this District are of opinion that they are not in a position to pay more than what they are at present doing in view of their slender financial resources.

3. Regarding the agency through which their quota has to be paid

P.T.O.

Sir,

With reference to your memo no.
D. 3760.29 dated the 12th May 1930,
forwarding a copy of the proceedings
of the Special Live Stock Committee
for the opinion of this Municipal Council
I beg to submit herewith a copy of the
resolution of the Council in the matter.
The Council are of opinion that (1) the
D. P. W. is the proper Agency for
the speedy disposal of questions
connected with the repairs of Hospitals
and dispensaries the Municipalities
undertaking to deposit in the D. P. W.
Account $\frac{1}{3}$ of the cost of repairs before
the work is executed,
(2) the present contribution of
100 and 50/- for the maintenance of

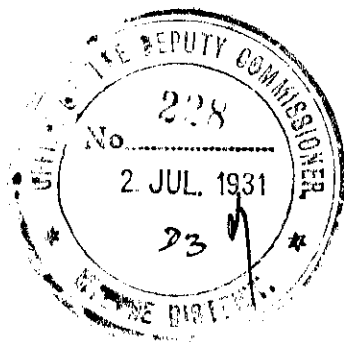

Hospitals and Dispensaries by the
Town Municipality is adequate
(3) the District Board is the proper
Agency for collecting municipal
quota and (4) the present system
of meeting the cost of constructing
new dispensaries in equal propor-
tions by Government, District
Board and municipalities requires
no change.

I beg to remain,

TEL. ADDRESS: "PRESBOARD"

OFFICE OF THE PRESIDENT, DISTRICT BOARD,

AL. NO. 479-30
ENCLS. *2/11/31*

Hassan, Dated 25th Novr. 1931

FROM

H. B. GUNDAPPA, ESQ., B. A., B. L.,

PRESIDENT, DISTRICT BOARD,

HASSAN.

TO

B. T. Kesaviengar, Esq., B.A.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Development Department,
Bangalore.

Through the Deputy Commissioner, Hassan District.

Sir,

Furnishing the opinion of the District Board re:
the several Veterinary problems dealt with in
the special Live Stock Committee meeting held
on 21st February 1930.

With reference to your letter No. 11836-51/C.V.
9-29-2, dated 21st April 30, calling for the opinion
of the Board on the above subject, I have the honor
to state that the subject was placed for consideration
before the Board, at their meeting held on 17th May
1930 and the Board approved the following resolution
of the standing committee:-

- (1) The Committee recommend that the proposal about repairs may be accepted. But the proposals should reach the District Boards on or before the 15th February of each year as in the case of other Departmental information that is required to be furnished to them for incorporation in their budget estimates (vide G.O. No. L. 7503/L.B. 92-23-18 dated 19th March 1924) and the execution of the repairs may be entrusted to the District Board as heretofore, or the Departmental D.P.W. establishment and tools and plant charges at 18% may be waived by Government.

- (2) Further, it seems necessary that simultaneously

154.
Municipal Councils concerned should also be informed of the requirements of the Department for such repairs. After some experience it may be possible to strike an average for each building for annual maintenance, so that a lumpsum provision may be made for each District for repairs as in the case of Medical Institutions.

- (2) Re: proportion of initial and maintenance charges of Veterinary Dispensaries to be borne by Local Bodies.

GENERAL SECRETARY.
7 DEC. 1931
No.....

The Committee recommend that the proposals to increase the quota of local bodies cannot be approved as in particular the finances of the District Board have been depleted by the transfer of rural mohatarfa and cattle pounds. Further, it may be noted that while the committee propose the enhancement of contributions of Local Bodies, they ignore a like equitable adjustment of initial charges which are now being entirely borne by local bodies as per said Government order of March 1926. Attention may be invited to the fact that it is understood that in Madras the entire Veterinary charges are borne by Government and it is but right that it should be, as it is part of "Agriculture" which provides the bulk of the States' Revenue.

- (3) The proposal to collect the quota of contributions from Municipalities direct by Government may be accepted.
- (4) The proposal to reduce the cost of the building may be accepted, as recommended by the Department itself.

A copy of the resolution of the Board is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

H. B. Sundappa
President,
District Board, Hassan.

Memo

Forwarded in Compliment.

W. K. Chellur
Deputy Commissioner
Hassan Dt.

Proceedings of the Fourth ordinary meeting of the Hassan District Board, held on Saturday the 17th May 1930.

Present

Keni Mahadevappa, Esq., Vice President, District Board
(In the chair).

Ex-officio members. 1 Non-officials. 15.

5. Development Secretary's letter No.D.11563-51/C.V. 97-29-2, dated 21st April 30, calling for the opinion of the Board re: (1) arrangements for the speedy disposal of questions connected with the repairs of Veterinary Hospitals and Dispensary buildings. (2) The proportion of initial and maintenance charges of Veterinary Dispensaries to be borne by local Bodies. (3) The agency to collect Municipal quota. (4) The cost of construction of new Dispensaries.

Resolution of the standing committee:

- (1) The committee recommend that the proposal about repairs may be accepted. But the proposals should reach the District Boards on or before the 15th Feby. of each year as in the case of other Departmental information that is required to be furnished to them for incorporation in their budget estimates (vide G.O.No.L.7503/L.B. 92-23-18 dated 19th March 1924) and the execution of the repairs may be entrusted to the District Board as heretofore or the Departmental D.P.W. establishment and tools and plant charges at ~~xxxxxx~~ 18% may be waived by Government.

Further, it seems necessary that simultaneously Municipal Councils concerned, should also be informed of the requirements of the department for such repairs. After some experience it may be possible to strike ~~the average~~ ^{an average} for each building District for repairs as in the case of Medical institutions.

- (2) Re: proportion of initial and maintenance charges of Veterinary Dispensaries to be borne by Local Bodies.

The Committee recommend that the proposals to increase the quota of local bodies cannot be approved, as in particular the finances of District Boards have been depleted by the transfer of rural mohatarfa and cattle pounds. Further, it may be noted that while the committee propose the enhancement of contributions of Local Bodies, they ignore a like equitable

adjustment of initial charges which are now being entirely borne by local Bodies as per said Government order of March 1925. Attention may be invited to the fact that it is understood that in Madras the entire Veterinary charges are borne by Government and it is but right that it should be as it is part of "Agriculture" which provides the bulk of the States' Revenue.

- (3) The proposal to collect the quota of contributions from Municipalities direct by Government may be accepted.
- (4) The proposal to reduce the cost of the building may also be accepted, as recommended by the Department itself.

Resolution. The resolution of the standing committee is approved.

Encls.

Dated, Hassan, the 18th February 1932.

G. B. HEBLIKAR, ESQ., B.A., LL.B.,

DEPUTY COMMISSIONER, HASSAN DISTRICT.

L. T. KESKAVALENGAR, Esq., F.A.,

Secretary to Government, Development Department,

B a n g a l o r e.

SIR,

With reference to your letter No. D. 11836-51 C.V. 97-29-2 dated 21-4-1930, forwarding for the opinion of the Municipal Councils a copy of the proceedings of the Special Live Stock Committee meeting held on 21st February 1930, I have the honour to forward herewith copies of the resolutions of the various Municipal Councils thereon, for favour of information. From their opinions summarised below, it is to be ~~ex~~ inferred, I think, that due consideration does not seem to have been bestowed upon all the aspects of the recommendations of Special Live Stock Committee.

2. The Hassan Municipal Council are agreeable to the proposals but they consider that a change is needed regarding the agency to collect the contributions.

The Holenarasipur Municipal Council are of opinion that the Director of Agriculture may be requested to send particulars regarding the quota of cost to the Municipal Councils as well while sending the same to the District Boards. They are agreeable to items 2, 3 & 4 of the Committee's recommendations.

The Arsikere Municipal Council have resolved that they are agreeable to pay 1/3 quota of contributions.

The Belur Municipal Council have opined that there has been no delay on their part in meeting veterinary demands.

The Sakiespur Municipal Council have stated that they have been paying hitherto a contribution of Rs. 100/- per annum on this account and

and that they are not prepared to pay more.

The resolution of the Banavar Municipal Council is beside the point as they have stated that they do not need any agency as they have been paying contributions for local fund dispensaries.

The Arkalgud Municipal Council agree to the proposals with the modifications that the Comptroller may be authorised to effect necessary transfer adjustments in the accounts of the Municipalities whenever there is demand, and as regards the capital cost of the buildings half may be borne by Government and the other half by the local bodies.

The Konanur Municipal Council are not prepared to pay any increased contribution. They also suggest that the Comptroller may be authorised to make necessary transfer adjustments.

The Municipal Council of Chennarayapatna have resolved that they are not agreeable to pay more than the present rate.

The Municipal Council of Sravanabelagula have resolved that the question need not be considered at all as there is no dispensary in their municipality.

The Alur Municipal Council have merely recorded the proceedings of the Special Committee.

I would suggest as follows:- (1) The procedure should be uniform throughout the state (2) and an uniform type of building should be adopted for all Taluk headquarters; (3) the initial and recurring cost should be incurred as proposed by the committee (4) The local bodies need not be consulted for annual repairs, the amounts fixed for each building being incurred by the Department of Public Works, without reference to local bodies but in consultation with the Veterinary Department (5) Special repairs should be made only in consultation with the local bodies concerned (6) Proposals for the above should be sent, ordinarily, once a year, at least, a couple of months before the local bodies frame their budgets (7) The Government should collect municipal quota (8) The Comptroller should make the necessary transfer entries in the accounts of the local bodies concerned (9) As regards the maintenance charges, I, of course, agree with the Committee (10) As in the case of the Dispensaries, the management of the Veterinary Dispensaries should be ~~entirely~~

be entirely in the hands of the Veterinary Department.

I have the honour to be,

Sir,

Your most obedient servant,

E. Sundararam

For Deputy Commissioner,

L Hassan District.

I.S.D.

VIII. Development Secretary's letter No.D.11336-51/C.V.97-29-2 dated the 21st April 1930 requesting to furnish the opinion of the Municipal Council re:

- (i) the arrangements for the speedy disposal of questions connected with the repairs to the Hospitals and Dispensary buildings.
- (ii) the proportion of initial and maintenance charges of Veterinary Dispensaries to be borne by local bodies.
- (iii) the agency to collect Municipal quota.
- (iv) the cost of constructing new Dispensaries.

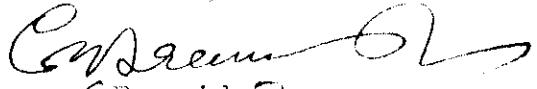

Resolution: The suggestions are approved in general; but regarding the agency to collect the quota of contribution and carrying the work, no change is necessary.

98. Letter No.D 278-9-C.V.97-29-33 dated 19th July 1932 from
the Secretary to Government, Development Departments, forwarding a
copy of the Proceedings of the Live Stock Committee meeting held on
21st February 1930 to consider the undermentioned questions, and
requesting to furnish the opinion of the Council thereon:-

- 1) Arrangements for speedy disposal of questions connected
with the repairs of Veterinary Hospitals and
dispensary buildings.
- 2) The proportion of initial and maintenance charges
of veterinary Dispensaries to be borne by the
Municipality.
- 3) The Agency to collect Municipal quota.
- 4) The cost of constructing new dispensaries.

Resolution- The Municipal Council generally agree

193

with the recommendation of the Live Cattle Committee in respect of the arrangements proposed for the speedy disposal of questions connected with the repairs of Veterinary Hospitals, but as regards meeting the proportion of maintenance charges of these dispensaries, the Municipal Council desire to urge that in case there is any move to increase such charges, the quota payable by local bodies should be equally distributed between the District Board and the Municipality. The Municipal Council further agree to the proposal to the quota due by Local Bodies being collected through Government agency. As regards the cost of constructing new dispensaries, the question does not arise in the case of this Municipality for the present.

R E A D:

G.O.No. ~~8~~⁹8854-63/Agri.27-16-11 dated
27th February 1918 fixing the scale of main-
tenance charges of Veterinary Hospitals
and Dispensaries at Rs.300/- for a Hospital
and Rs.150/- for a Dispensary and the initial
charges of opening a Hospital at Rs.500/-
and a Dispensary at Rs.250/-

2. G.O.No.I.C.6461-80/A&E 144-22-17 dated
30th March 1925 revising the scales of
initial and ~~the~~ maintenance charges of
Veterinary Hospitals and Dispensaries to be
in force for a period of 3 years and direct-
ing that the local bodies may continue to
pay towards the maintenance charges at the
rates fixed in the G.O. read above but
they should be required to pay the entire
initial charges.

3. G.O.No. 10535-54/C.V.33-27-4 dated 31st
March 1928 directing that the G.O. read
above be considered to be in force till the
end of the official year 1927-28 and that
during the period the rent paid for housing
Veterinary Institutions in private build-
ings be considered as merged in the lump-
sum contributions made by the local bodies
towards maintenance charges and that from
1928-29 a half of the rent actually paid

ORDER NO.

Q 713-32/1934-35

Dated

July 1934.

JC of U
In the Order of 30th March 1925 read
above, the scale of expenditure for Veteri-
nary Hospitals and Dispensaries in the
State was fixed as in the margin, but the

Initial charges of opening a		) local
Veterinary Hospital.....	Rs. 1,200	)
- Do- Dispensary.....	" 1,000	) bodies
Maintenance charges for the		)
Veterinary Hospital at Bangalore	" 2,100	) were
-Do- Mysore	" 1,800	)
-Do- for other hospitals.	" 900	) allowed
<i>Do - for</i> dispensaries	" 600	) <i>contribute</i>
		to pay

towards the maintenance charges of the in-
stitutions at Rs. 300/- for a Hospital and Rs.
150/- for a Dispensary. As regards the ini-
tial charges, however, the entire amount

according to the revised scale was required to be paid by such bodies. This arrangement was sanctioned for a period of 3 years from 1924-25.

~~The Comptroller having~~, At the expiry of the above period, ^{The Comptroller} sought the instructions of Government as to whether rent on private buildings occupied by Veterinary institutions was recoverable from the local bodies in addition to ~~the annual maintenance charges to be~~ contributed by them at ~~the~~ ^{the} rates fixed in the order read above, Government directed in their order of 31st March 1928 that the order of 30th March 1925 be considered to be in force till the end of the year 1927-28 and that during that period the house rent be considered as merged in the lumpsum contribution made by the local bodies concerned towards maintenance but that ^{thereafter} ~~in future~~ ^{one} half of the amount actually spent on house rent be finally recovered from the local bodies concerned in addition to the lumpsum contribution paid by them. This arrangement was ordered to be in force for a further period of 3 years.

The arrangement was confirmed in the order of 12th September 1931 and it was also ordered that half the rent of the buildings in rural areas be recovered in full from the District Board and that in municipal areas one-third of half the rent be recovered from the Municipality and the other two-thirds from the District Board concerned.

lines of action to be taken for effectively controlling the movements of Live Stock from infected areas as a part of a comprehensive scheme for the improvement of live stock. The question of handing over the financing of veterinary hospitals and dispensaries entirely to local bodies was also referred to this Committee at the instance of the Director of Agriculture who, after taking into account the amount spent towards the up-
~~Keep~~
~~keys~~ of these institutions by Government and the local bodies concerned, was ~~very~~ strongly in favour of handing over the financing of these institutions to local bodies.

The Committee made the following recommendations at their meeting held on the 21st February 1930:-

(1) In order to avoid delay in future, the Superintendent, Civil Veterinary -

Department, should submit to the Director of Agriculture in the month of March of each year a list of repairs to buildings in each District arranged in the order of urgency with the approximate cost in each case. The Director of Agriculture should then ^{forward} ~~submit~~ these lists to the Presidents of District Boards with a statement of the amount proposed to be included in the Budget of the succeeding year for the purpose of repairs. This procedure would enable District Boards to frame their Budgets so as to provide for the necessary expenditure.

(2) It ~~would be~~ ^{was under made} ~~unwise~~ to hand over the financing of Veterinary Institutions to the District Boards. The proportion paid by local bodies (in the case of dispensaries, ^{(in the case of the two Hospitals at Bangalore and Mysore and} should be raised; and in the case of all veterinary institutions, maintenance charges should be met in the proportion of two-thirds by Government and one-third by local bodies. Contributions from municipalities for initial and maintenance charges and house rent in the case of veterinary institutions should be collected direct by Government instead of through the District Boards.

(3) The cost of construction of Veterinary Dispensaries should be reduced so that the maximum may not exceed Rs.4000/- and the Superintendent Civil Veterinary Department should be requested to have new type designs prepared on this basis.

The above recommendations of the Committee

were referred to the Presidents of District Boards, Deputy Commissioners of Districts and Presidents of Bangalore and Mysore City Municipalities for opinion. After a consideration of the opinions received from the various local bodies, Government ^{are pleased} ~~proceed~~ to pass the following orders on the various recommendations of the Committee.

(1) The first recommendation of the Committee has been agreed to by all the District Boards and 40 out of 60 Municipalities. Government, therefore, direct that ^a ~~the~~ list of repairs to buildings occupied by Veterinary Institutions with the approximate cost thereof be prepared in the order of urgency and forwarded to the Presidents of District Boards in the month of March of each year to enable them to make provision therefor in their budgets of the succeeding year.

(2) As regards the second recommendation of the Committee, only five District Boards and 26 Municipalities have agreed to pay their quota of enhanced contributions. The Director of Agriculture who was consulted in the matter, has suggested that in view of the fact that all the ~~the~~ local bodies have not given their consent to the enhanced levy, it would be desirable to continue the present proportion of contribution by the local bodies and to drop the question of increase for the present. Agreeing with the Director in this view, Government are pleased to direct that the question of increased contributions recommended

recommended by the Committee be dropped for the present and the present scales of initial and maintenance charges of Veterinary Institutions and contributions recoverable from local bodies be continued as heretofore.

As regards the last recommendation of the Committee, the Director of Agriculture has submitted a revised type design~~ed~~ for all Taluk Veterinary Dispensaries costing Rs.6,000/- . This subject is reserved for separate consideration and order^{be} will ^{be} issued in due course.

READ—

Government Order No. R. 8854-63—Agri. 27-16-11, dated 27th February 1918, fixing the scale of maintenance charges of Veterinary Hospitals and Dispensaries at Rs. 300 for a Hospital, and Rs. 150 for a Dispensary and the initial charges of opening a Hospital at Rs. 500 and a Dispensary at Rs. 250.

2. Government Order No. I. C. 6461-80—A. & E. 144-22-17, dated 30th March 1925, revising the scales of initial and maintenance charges of Veterinary Hospitals and Dispensaries to be in force for a period of three years and directing that the local bodies may continue to pay towards the maintenance charges at the rates fixed in the Government Order read above, but they should be required to pay the entire initial charges.

3. Government Order No. 10535-54—C. V. 33-27-4, dated 31st March 1928, directing that the Government Order read above, be considered to be in force till the end of the official year 1927-28 and that during the period the rent paid for housing Veterinary Institutions in private buildings be considered as merged in the lumpsum contributions made by the local bodies towards maintenance charges and that from 1928-29, a half of the rent actually paid on these buildings be finally recovered from the local bodies concerned in addition to the above said lumpsum contributions, this arrangement being in force for a period of three years.

4. Government Order No. D. 1574-91—C. V. 112-30-4, dated 12th September 1931, confirming the arrangement of recovering half the rent from local bodies ordered as tentative measure for three years in the order read above and fixing the proportion, in which District Boards and Municipal Councils should contribute towards rent on buildings occupied by Veterinary Hospitals and Dispensaries.

5. Government Order No. D. 4235-60—C. V. 47-28-1, dated 11th October 1928, appointing a Committee for the purpose of formulating the general lines of action to be taken for effectively controlling the movement of Live Stock from infected areas,

6. Government Order No. D. 6011-32—C. V. 47-28-6, dated 11th December 1928, enlarging the terms of reference of the above Committee so as to bring within its scope of enquiry the whole field of Live Stock improvement.

7. Government Order No. D. 4701-2—C. V. 129-27-3, dated 11th November 1929, further enlarging the terms of reference of the above Committee to bring within its scope of enquiry the question of handing over the financing of the Veterinary Institutions entirely to Local Bodies and sanctioning the continuance of the present scales of initial and maintenance charges of Veterinary Institutions until further orders.

8. Letter No. Roc. 2348—C. V. 184—27-28, dated 5th March 1930, from the Director of Agriculture, submitting with his opinion, a copy of the proceedings of the Live Stock Committee meeting held on 21st February 1930.

9. Correspondence with the Deputy Commissioners, District Boards and Municipalities in the State, ending with letter No. G. To. 95, dated 23rd September 1932, from the Municipal Commissioner, Bangalore City, on the same subject.

10. Un-official Note No. 10—171 C. V. of 33-34, dated 12th April 1934, from the Director of Agriculture in Mysore, furnishing his further views on the subject.

ORDER No. D. 713-32—C. V. 97-29-36, DATED BANGALORE,
THE 1ST AUGUST 1934.

In the Order of 30th March 1925, read above, the scale of expenditure for Veterinary Hospitals and Dispensaries in the State was fixed as in the margin, but the local bodies were allowed to contribute towards the maintenance charges of the institutions at Rs. 300 for a Hospital, and Rs. 150 for a Dispensary. As regards the initial charges, however, the entire amount according

Initial charges of opening a Veterinary Hospital	Rs.
Do do do Dispensary	1,200
Maintenance charges for the Veterinary Hospital at Bangalore	1,000
Do do do at Mysore	2,100
Do for other Hospitals	1,800
Do for Dispensaries	900
	600

No. D. 113-32--C. V. 97-29-36, DATED 1st AUGUST 1934.

to the revised scale was required to be paid by such bodies. This arrangement was sanctioned for a period of three years from 1924-25.

At the expiry of the above period, the Comptroller sought the instructions of Government as to whether rent on private buildings occupied by Veterinary Institutions was recoverable from the local bodies in addition to contribution for maintenance at rates fixed in the order, read above, and Government directed, in their Order of 31st March 1928, that the Order of 30th March 1925, be considered to be in force till the end of the year 1927-28 and that during that period the house rent be considered as merged in the lumpsum contribution made by the local bodies concerned towards maintenance but that thereafter one half of the amount actually spent on house rent be finally recovered from the local bodies concerned in addition to the lumpsum contribution paid by them. This arrangement was ordered to be in force for a further period of three years.

The arrangement was confirmed in the Order of 12th September 1931, and it was also ordered that half the rent of the buildings in rural areas be recovered in full from the District Board and that in municipal areas one-third of half the rent be recovered from the Municipality and the other two-thirds from the District Board concerned.

In the Order of 11th October 1928 a Committee consisting of the marginally

The Director of Agriculture in Mysore (Convener).

noted gentlemen was appointed for the purpose of formulating the general lines of action to be taken for effectively controlling the movements of Live Stock from infected areas as a part of a comprehensive scheme for the improvement of Live Stock. The question of handing over the financing of

Veterinary Hospitals and Dispensaries entirely to local bodies was also referred to this Committee at the instance of the Director of Agriculture, who, after taking into account the amount spent towards the upkeep of these institutions by Government and the local bodies concerned, was strongly in favour of handing over the financing of these institutions to local bodies.

The Committee made the following recommendations at their meeting held on the 21st February 1930 :—

(1) In order to avoid delay in future, the Superintendent, Civil Veterinary Department, should submit to the Director of Agriculture, in the month of March of each year a list of repairs to buildings in each district arranged in the order of urgency with the approximate cost in each case. The Director of Agriculture should then forward these lists to the Presidents of District Boards with a statement of the amount proposed to be included in the Budget of the succeeding year for the purpose of repairs. This procedure would enable District Boards to frame their Budgets so as to provide for the necessary expenditure.

(2) It was undesirable to hand over the financing of Veterinary Institutions to the District Boards. The proportion paid by local bodies in the case of the two Hospitals at Bangalore and Mysore and in the case of dispensaries, should be raised; and in the case of all Veterinary Institutions, maintenance charges should be met in the proportion of two-thirds by Government and one-third by local bodies. Contributions from Municipalities for initial and maintenance charges and house rent in the case of Veterinary Institutions should be collected direct by Government instead of through the District Boards.

(3) The cost of construction of Veterinary Dispensaries should be reduced so that the maximum may not exceed Rs. 4,000, and the Superintendent, Civil Veterinary Department, should be requested to have new type designs prepared on this basis.

The above recommendations of the Committee were referred to the Presidents of District Boards, Deputy Commissioners of Districts and Presidents of Bangalore and Mysore City Municipalities for opinion. After a consideration of the opinions received from the various local bodies, Government are pleased to pass the following orders on the various recommendations of the Committee :—

(1) The first recommendation of the Committee has been agreed to by all the District Boards and 40 out of 60 Municipalities. Government, therefore, direct that a list of repairs to buildings occupied by Veterinary Institutions with the approximate cost therefor be prepared in the order of urgency and forwarded to the Presidents of District Boards in the month of March of each year to enable them to make provision therefor in their Budgets of the succeeding year.

No. D. 713-32—C. V. 97-29-36, DATED 1ST AUGUST 1934.

(2) As regards the second recommendation of the Committee, only 5 District Boards and 26 Municipalities have agreed to pay their quota of enhanced contributions. The Director of Agriculture who was consulted in the matter, has suggested that, in view of the fact that all the local bodies have not given their consent to the enhanced levy, it would be desirable to continue the present proportion of contribution by the local bodies and to drop the question of increase for the present. Agreeing with the Director in this view, Government are pleased to direct that the question of increased contributions recommended by the Committee be dropped for the present and the present scales of initial and maintenance charges of Veterinary Institutions and contributions recoverable from local bodies be continued as heretofore.

As regards the last recommendation of the Committee, the Director of Agriculture has submitted a revised type designed for all Taluk Veterinary Dispensaries costing Rs. 6,000. This subject is reserved for separate consideration and orders will be issued in due course.
